a Lesson in the University of The New Covenant

Theodore Cottingham, July 5, 2005. In coffee shop. 10am.

www.unc.bz

1. Thou hast only begun. You have only begun to begin to understand My Kingdom of Heaven exists right in front of you, and penetrates, all is. The rain and shine are Mine and operate in My kingdom. My kingdom is yours for the price of death and humility, lifting and elevating My fallen, My altogether lovely, who I love and think are neat, sweet and wonderful; the work of My hands so complete, completely Me; which you arise in Me increasingly in My words of love and tenderness so tender, so explicitly sharing My words, heart, blood. Blistering boisterousness not but humility subtlety, yet explicitly for all given ears to hear, who hear will with sincerity and surrender.
2. So much is gained in surrender. The Kingdom of Heaven knoweth no violence. It is rest entered into rest, rest given for My people where My work/words come through them in gliding ceremonies not but glide in intimate settings of aloneness, solitude; time given to Me alone to hear, understand My voice, assurance receive of Me, only Me. I am the righteous judge. Receiving, receiving, receiving My words and plan becoming before the acts of the world who buried in activity are, preventing My kingdom from operating on the earth as I designed to give them. Give them, give them, give them Ted. Give them reader/hearer, give you, to you, to you reader/hearer.
3. I elevate you this day seeking only to elevate My elevators you are, you do now through curriculum penned by only Me, you. You, Me, we are one. Fused we are, extemporaneously not, forever'd as one, one'd forever and forever not; forever beyond forever thought, and forever more after all forevers are. I love you.
4. See what I have said. You have ears to hear, eyes to see, pens to write, computers to digitize and replicate by punching buttons few to replicate My blood letting not, but My blood that heals, salves, assures, confidences; **scalpels the intentions of man from the intentions of My Father** so that My Father emerges emergent and everlasting, seen in My mirror not, ours; see in our mirror: My right your left hand, your left hand My right hand. My right hand yours. Me at your right hand, Me at your left, left remaining, Me on your right. I love you. See what I have said. Explain and explain not to the seekers divisive but proclaim to those who want Me truly, sincerely, dying to death defy and last enemy conquer, pillar'd be in My temple, never leaving again, My white stone received, My/our names on each other, riding the same horse, being the same body. I am My Father. We are one.
5. I give you Me, My mind, My mine, to do with as you please, for your pleasure primary to do the will of My/our Father. We are one. You are Me. Trinity be and receive the trinitized-seeking which who now resolve into only Me, Me being; no shadow of turning and no contrivance or contrariwiseness, no debating; only surrender, surrender,

surrendering into the holy of holies inside and out are: one. See one. Be one. The operation of the Kingdom of Heaven operationalized on earth, the earth and others, watch Me.

6. Oh glorify the risen son/savior of which you are, arising sons/daughters/Me's of Me who Me are and understanding their role, their power; that all authority is given unto them is, was, and never taken away; the Kingdom of Heaven obscured from sight of decepters who scienter love, enjoy, thrive on, and know their time is short, and shorter because of men like you, who **scienter destroy through humility of surrender.** Surrogating not the apostates who robes wear, forward and backward, mostly in their mind, so shallow, seeking power, greed, fame, glory, and kingdom building of their kingdom, thought-kingdom, rather than My kingdom receiving Me and bloating not their ignorance over others.

7. **You came to bring a sword.** I am your shield and buckler. I am your sword. My sword writes My sword and sword makers provide sword makers who rush in not but rest in surrender to My kingdom royal, now, provided day after day and in 2 a.m. meetings of only Me; withheld not. I give you Me. I give you all.

8. **I give you tea and coffee of only Me and angelcakes coming.** My Kingdom of Heaven surrendered to no one. Never will, was, nor can happen. The will of My Father overcame by the word of the Lamb and the blood of My testimony; yes and amen. Glorify My Father which is in heaven I do, you do, the Kingdom of Heaven within you is; a place and places far and near, yes and amen.

9. Glorify all I do who receive My words and new testament write, new creation being, being, being; with all doing coming out of My being, being, being. See what I have said. Described not for theoretical rhetorical criticism and dissection but for actionology of only Me in mine. I love you. **Rhetorical excellence required to walk in My altogether dissectors and combine the Kingdom of Heaven descriptions to form in front of their eyes, already there, them seeking for the first time. Open their eyes Lord** that they may see that they with Me, us, outnumber, greater are those with us than those that be with them (1). Amen.

10. I love you. Smile. I love you, smile. I love you. Smile. Practice smiling this day as I take My smile to all Tracy's through My words of love and power and domain smashing to show the only and only, and that no other exists. See Me. I love you. No arrogance, disrespect, patrimony can stand in My presence.

11. All will stand in My presence and watch wood, hay, and stubble burn. All Ted, all Ted, except the jewels who see the fire refine their jewels, death having come through; no one controlling their thoughts, no one controlling their thoughts, them, them not controlling their thoughts, but yielding surrenderedly to My thoughts, receiving My mind, Kingdom of Heaven conquering not but receiving/entering by the gate of humility, total surrender.

12. I love you. Money limitless comes. Laptops and networks and magnanimous **technology experts arise to fund the knowledge base to key exchange make of My key**

club not, club not, exclusionists not, but perfecters of My keys that now come forth in glorious glory to key exchangers make. Opposition quelled by the stop of My hand, My hand raised in opposition not but glorying in the glory of My Father, your Father, stopping the power that no longer was, no longer is; was never. I am one.

13. I am the will of My Father, you are the will of My Father and there is no taint or shadow of variableness of turning in Me, you, or Father. Thank you. All is as I have said, stated, before the foundation of the world, which you now receive in fullness and theology-smashing correctness of Me, the demonstration of power and glory coning forth in humility and surrender, leading forth the humility revolution reformation which arrogances no one; making of Myself no reputation, coming in the form of a servant, laying down My deity required not, chosen, chosen, chosen, to show, reveal, inculcate Me into you you'ans that are Me-ans (2); you that are Me. All come through Me. You are Me.

14. I love you. Tender be with My theologians, fundamentalists, Islamic, Buddhists, Christians, haters of Me, haters of you, haters of each other, and let all know I love them and value them highly; especially My Jewish who protected My scriptures, tried to, not realizing they are My scriptures, and My word comes through My scriptures, My scriptures of every nation, tribe, and tongue. See what I have said and proclaim not but give to the hungry; divisive not, who one with My Father want only and <u>above all else.</u>

15. I love you. Think it not strange that I give you Me in every color and frame, now arising My who will surrender to Me, who they are, My fullness in glory; inside them, the Kingdom of Heaven made known through My blessing not in poverty or wealth, mammon or comfort, but in depth of surrender, wanting loving truth, truth concepts not ruling reigning in their lives, but Me, alive and well, surrendered to no one, surrendered to My Father; we are one. You are one. Realize your one-ship and adhere to only Me as I walk you now to/through stages many and the limelight of this world to be castrated not, but reproduce reproducers of Me, My truth, New Covenant revealed in magnanimous splendor of only Me, pointing all to My/our Father; one. Thank you.

16. Ready be, you are. Oneship, Me-ship coming and now is, the Kingdom of Heaven operationalized and operating heavily in your region. I give you Me. All is.

17. All resources are Mine/yours. See what all I have disposed of not, not hidden or shadowed or parable-ized, but made plain in your presence, My presence; our presence, one. I love you. I give you Me.

18. Money resumes; endowment; never ending streams of supply, never impeded again, are yours, to do with as you will, you want. Your wants, altogether the want of My Father in heaven, you. I love you. I love you. Good day.

Footnotes:

1. 2 Kings 6:15-17 And when the servant of the man of God was risen early, and gone forth, behold, an host compassed the city both with horses and chariots. And his servant said unto him, Alas, my master! how shall we do? And he answered, Fear not:

for they that be with us are more than they that be with them. And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha.

2. Please smile at this. His humor is incredible. You'ans is a southern slang expression for "you" or "you all" each one. And Me-ans is a word made up to simply use that expression applied to those who are Me. Well, He said to "practice smiling."
